

Remote-controlled? Computer animated?
 No, phantastic, skurril and artistic! You are used to it, but not really!
 Everyone knows a chair and a table and how to use it.

But this furniture crashes the boarders of imagination, with their mobility, with their moves, with their interacting
 with the audiance and with their human-like characters

Walking act

about 30 min

4 times a day is the maximum

Bühne

An artistic.dance- choreography of two pieces of furniture, that moves and provokes the mind of the audiance.
 Stunning and unique, how much rhythm and life, lives in this furniture.

About 5 to 7 min.
